

2005-2006 Junior Gulls Girls

The Junior Gulls Girls' program is designed specifically to promote self-esteem, pride, commitment, and discipline among young women ages 5 to 13. This program offers a rare and truly special opportunity for young women to perform for thousands of San Diego Gulls' fans at a professional hockey game.

Junior Gulls Girls will participate in a one-day clinic on March 5, 2006. Girls will be divided into different age groups and will learn a dance routine choreographed by a current member of the Gulls Girls.

On March 12, 2006, the Junior Gulls Girls will experience what it's like to be a member of the Gulls Girls as they perform sideline routines during the first and second periods and then perform "center ice" with the Gulls Girls during an intermission.

No tryouts are required! The Junior Gulls Girls is a team tailored to kids of all ages and ability levels. This is a community program open to young girls with years of experience or girls who are just being exposed to cheerleading and dance.
